

IMPORTANT MESSAGE

Client Information Needed for Federal Reporting CAA, Title II, Section 204

*This communication, sent to all producers, outlines a request we are making to clients to submit required information to Cigna to support Cigna's submission of the Prescription Drug and Health Care Spend submission to the federal government for the **June 1, 2023** requirement on behalf of your clients. Note that this request is in addition to one previously sent on February 9, 2023.*

What Cigna is doing

As previously communicated, in compliance with the [Consolidated Appropriations Act, Title II, Section 204](#), Cigna will produce medical and/or pharmacy spending reports annually for both fully insured and self-funded (ASO) clients, and submit to the U.S. Department of Health and Human Services, the Department of Labor, the Department of the Treasury (Tri-Agencies) and the Office of Personnel Management (OPM).

- For the **June 1, 2023 submission**, which will represent reporting year 2022, Cigna's standard approach is to submit on our clients' behalf.
- To ensure that all clients have the opportunity to submit their premium split information (employer versus employee), this communication was sent to clients who did not receive the initial request sent on February 9. It outlines the information required for Cigna's submission and provides an email address specifically established for collection of this required information.

What your clients need to do

- For the **June 1, 2023** report submission:
 - Send an email to the address included in the communication sent from Cigna with their client name, account number and average employee versus employer percent of premium across the client's medical, pharmacy, behavioral coverage (including Cigna and non-Cigna coverage) corresponding to their population with Cigna coverage by **February 24, 2023**.
- Please note that for the **June 1, 2024** (and future) submissions, Cigna intends to collect any required information through existing processes, such as case set-up and renewal.
- If you want to view the form and additional information in order to guide your client, visit [Cigna for Brokers](#) to log in or register. You can also view all of your client's regulation requirements and FAQ documents in the On Demand page under the Learning Center tab.
